About Me

I am a hard-working student in my third year of my degree of Creative Digital Media in Technological University of Dublin. I aim to work in the creative field of work and am interested in a wide range of fields within this, such as film, photography, graphic design and illustration.

Skills

- Video Editing
- Digital Photography and Photo Editing
- Microsoft Word
- Website Development (HTML, CSS)
- Adobe Creative Suite (Premier Pro, Photoshop, Indesign, Illustrator, Audition)
- Strong Communication

Education

- **Bachelor of Creative Digital Media (Ongoing)**
Technological University of Dublin 2023 - 2026
The coursework done is based around filmmaking, graphic design, web design and illustration.
- **Leaving Certificate**
Ratoath College 2017 - 2023
Leaving Certificate and Junior Certificate completed here in Ratoath, County Meath

Experience

- **Freelance Artist**
Self-employed - remote
Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nunc sit amet sem nec risus egestas accumsan. In enim nunc, tincidunt ut quam eget, luctus sollicitudin neque.
- **Retail Assistant**
Hannon's Supervalu - Ratoath 2023 - Current
Main responsibilities here would be working on a till, handling both card and cash payments, conducting returns and exchanges of products, keeping the area clean and helping customer inquiries
- **Warehouse Worker (Summer Staff)**
Bookhaven - Ashbourne 2023

Projects

• Purgatory - Music Video

Group Project Module

A narrative told music video with mixed media, such as animation and digital effects used throughout the project. It's themes explored the process of grief in an alternative way, leaving the interpretations of the piece open-ended.

• Women in Goth Media - Magazine

Visual Design Fundamentals

A fully designed and self-produced magazine on female icons in goth music and media with the construction of the layout and aesthetic of the project inspired by the constructivism art movement. Consideration gone into the total aesthetic, typography, colour palette, layout and editorial design. Designed in Adobe Indesign
